Guiding questions

Alpine Space Programme

Selection of objectives

Requirement by the Commission: FOCUS

Which is a possible policy reaction to the strengths, weaknesses, opportunities and threats (challenges) identified?

What is feasible within the scope of transnational cooperation?

What has been done already (maturity of certain topics)?

2014⁺

Challenges

Alpine Space Programme

Challenges related to...

- ...topics to be addressed
- ...structure and wording (compliance with EC regulations)
- ...definition of result indicators
- ...EC requirements vs. scope of transnational programmes
- ...integration of EUSALP (different timelines)

Thank you for your attention!
